**Bourges National 27.5.17**

This loft really does go from strength to strength ... there is no stopping them ... after their 3 x 1<sup>st</sup> National victories since 2010, including 1<sup>st</sup> National in 2016. Over the years they have developed a solid breeding background – pair this with their motivation to achieve success, and the carefully researched system which they work with, the results were sure to come. After only eight weeks racing, there are already two shining stars in the race team “Young Mata Hari” and “Hutt” ... here’s some more information ...
